March 3, 2015

The Town of Carolina Shores is pleased to announce an open house at Town Hall to coincide with Sunshine Week 2015. Sunshine Week is a national initiative to promote dialogue about the importance of open government and freedom of information. The Town of Carolina Shores will be conducting an educational program followed by an open house tour of Town facilities from 10am to 12 noon on Monday, March 16, 2015 in recognition of the importance of open government and freedom of information. The public is encouraged to participate, ask questions, and receive information on how the Town stores information and how residents can gain access to information, the decision making process, and generally what the Town does insofar as what services are provided and how the Town operates.
