Town of Carolina Shores
Solid Waste Compliance Sheet

Compliance sheets are designed by the Town and intended as a method of public education in order to better inform the public of Town ordinances, rules, and regulations.

Methods of Solid Waste Collection

The Town has two methods currently employed to collect solid waste, these two methods are: curbside collection and convenience site collection. All neighborhoods within the Town have the convenience of curbside collection except the Carolina Shores Subdivision which is served with the convenience site that accepts Carolina Shores household garbage. All neighborhoods within the Town have the option of using the convenience site for recycle, yard waste drop-off, and household garbage.

Items Accepted at the Solid Waste Convenience Site

MSW (Compactor) Area
- Household garbage (bagged)

Recycle Area
- Plastics # 1 and #2
- Cans - Aluminum & Steel
- Newspapers, Mixed Paper, etc
- Glass Food & Beverage Containers
- Clean-Corrugated Cardboard
- Non-Corrugated Cardboard
- Non Contaminated Food Boxes

Yard Waste Area
- Leaves & Pine Straw
- Mower Clippings
- Cut Limbs – no larger than 4ft long, 6in diameter

*Waste not accepted is prohibited including but not limited to bulky waste.

Solid Waste Convenience Site Rules
